# THE ART OF PERFORMANCE

Paint your bike with the new ART OF PERFORMANCE exhausts, personalized with the logo drawn by graffiti writer Enko4!!!

**NEW**

Intended for sports and exigent users. Unmistakable thanks to their elegant and gritty shape, they are equipped with an "exciting sound" which greatly personalizes the scooter. Designed and calculated at CAD, they are first tested both on test bench and on the road before being produced according to each kind of 50 cc scooter. ART OF PERFORMANCE exhausts enhance the engine performances complying with the rules of road code. The passion for performance: that is what links Malossi to Enko4 writer. Like the young artist, Malossi knows how to create each single part down to a fine art in order to give a unique thrill to their fans all over the world.
