

MULTIVAR

THE FORCE IN THE SOUL.

Born thanks to the most modern technologies, **MULTIVAR** is the perfect instrument, made with only one aim: release your engine as to let full power off.

Malossi, a leading manufacturer of special racing and sport bike aftermarket parts, assures satisfaction and authentic results, surprising, usually with unequivocal sensations, the demanding clientele such as the Maxi scooter owners.

www.malossi.com

Dekra Certification GmbH certifies that Malossi produces its complete variators and CVT-kits efficiently applying a quality management system, as required by the German and International road circulation law (KBA).
